

## York College Men's Basketball Camps

Our camp goal is to provide a fun and safe environment to learn the fundamentals of basketball. Each camper will receive individual instruction, life lessons, and a great time!

It is our goal for the camps to give the campers useful information to become an overall better player and set up drills for the camper to use at home for skill development.

The Day Camp will concentrate specifically on their skills and techniques. This camp will consist of dribbling, attack moves, and rebounding.

The Day Camp will also concentrate on shooting and footwork. Your development as a player and understanding of the game will improve through our instruction, and drill participation.

Instructors and Camp Coaches will include our Men's Basketball Coaching Staff along with current players.

If you have any questions, concerns, or interest in signing up for camp please call "Tree" Burks (318) 533-0368 or email [tburks@york.edu](mailto:tburks@york.edu). Thanks for your interest in our Day Camp. We hope to see you at YC on July 27-30<sup>th</sup>.
